ILLUMINA GAII SEQUENCING SAMPLE SUBMISSION FORM

Please bring this form with you when you drop off samples.

Sample	Sample Name	Organism	Library Type*	Paired End	Library Size (bp)	Conc. nM**	Run Conc. pM	# cycles (up to 42)
1	PhiX control	PhiX		yes / no				
2				yes / no				
3				yes / no				
4				yes / no				
5				yes / no				
6				yes / no				
7				yes / no				
8				yes / no				

*Library Types: smRN; Genomic; Whole Transcriptome (WTA); ChIP seq; Digital Gene Expression (NIAII or DpnII)

**Libraries should be 10nM upon submission if at all possible. It is the responsibility of the submitting researcher to QC their library as per Illumina's protocol before submitting for analysis and to list accurate library information above.

What QC method did you use: _____

Additional Comments: _____

Dropped off by _____ Date _____ Accepted by _____ Date _____
