COURSE OVERVIEW

The 33rd Annual Fitz-Hugh Symposium is designed to update participants on current approaches and innovative progress in otology and pediatric otolaryngology. In addition, there will be in-depth discussion of recent and future changes in issues related to professional performance. The program features local, regional and national level experts who will discuss current “hot topics” and will emphasize the practical impact of this information for the practicing otolaryngologist–head & neck surgeon. Presenters across multiple disciplines will describe a complete approach to patient care. Each session will include an opportunity for audience participation. Active participants will gain knowledge that will support improvement of outcomes in their patients.

EDUCATIONAL OBJECTIVES:

OTOLOGY

At the conclusion of the Otology section, participants should be able to

- discuss treatment options for middle ear reconstruction and the process of selecting the optimal reconstruction method
- recognize cochlear implant candidates based on the most recent criteria
- understand current treatment options for patients with Meniere’s disease
- be aware of cutting edge scientific advances and their potential implications for future management of acoustic neuroma

PEDIATRIC OTOLARYNGOLOGY

At the conclusion of the Pediatric Otolaryngology section, participants should be able to

- characterize and manage allergy, sinusitis, and sleep-disordered breathing in children
- diagnose common speech development disorders
- describe a modern management algorithm for caustic ingestion

PROFESSIONAL PERFORMANCE ISSUES

At the conclusion of the section on Professional Performance Issues, participants should be able to

- understand the American Board of Otolaryngology Maintenance of Certification (MOC) program
- discuss current thinking on improving safety and quality of patient care
- use the techniques discussed to more effectively manage patient care situations with potential legal ramifications

DISCLOSURE STATEMENTS

Disclosure of faculty financial affiliations

The University of Virginia School of Medicine, as an ACCME accredited provider, endorses and strives to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Commercial Support, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices.

The University of Virginia School of Medicine requires that all CME activities accredited through this institution be developed independently and be scientifically rigorous, balanced and objective in the presentation/discussion of its content, theories and practices.

All faculty presenters participating in an accredited CME activity are expected to disclose relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine will employ appropriate mechanisms to resolve potential conflicts of interest to maintain the standards of fair and balanced education to the reader. Questions about specific strategies can be directed to the Office of Continuing Medical Education, University of Virginia School of Medicine, Charlottesville, Virginia.

The faculty and staff of the University of Virginia Office of Continuing Medical Education have no financial affiliations to disclose.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices

The University of Virginia School of Medicine, as an ACCME provider, requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The University of Virginia School of Medicine recommends that each physician fully review all the available data on new products or procedures prior to clinical use.

Disclosure for attendance records and certificate distribution

The University of Virginia Office of Continuing Medical Education requires that all participants at live CME activities sign attendance sheets daily to confirm participation in the CME activity for that day. Certificates of attendance, designating the maximum number of hours of participation, are distributed to each participant at the CME activity. Participants are responsible for accurately tracking their actual participation at live events.

ACCREDITATION AND DESIGNATION STATEMENT

Direct Sponsorship Accreditation and Designation Statement

The University of Virginia School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Virginia School of Medicine designates this educational activity for a maximum of 11.00 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing Education Credit

The University of Virginia School of Medicine awards 0.1 CEU per contact hour to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities that meet specific educational planning requirements. The University of Virginia School of Medicine maintains a permanent record of participants who have been awarded CEUs.

CONFIRMATION AND CANCELLATION POLICY

Upon receipt of registration and payment, you will receive an email confirmation. If payment is not received 14 days prior to this activity, space will not be reserved. We recommend that you secure payment with your own credit card, then seek reimbursement from your employer (where appropriate).
